Class Poem

*By the shores of the Susquehanna,
By the sluggish peaceful waters,
Stands majestic in its splendor
O. H. S., our Alma Mater.
All around it rise the low hills,
Rise the green and game-filled forests,
Rise the firs with cones upon them,
Hide the beauty spots of nature.
Here we came as wondering freshmen,
Astounded, startled by its hubbub,
Lost and puzzled by its strangeness
Till they gave us books and homework.
Many things our teachers taught us;
Of the poets and their stories,
Showed us wonders of the chemists,
Great men with their deeds and speeches;
Showed us German, French and Latin,
Shorthand, and the art of figures;
Gave us help to struggle onward,
Armed us, for the life before us.
After the glory of graduation,
In the low-browed misty future,
We will turn our thoughts and longings
To four years of wondrous pleasure,
To a building grey and somber,
Which is our shrine, our Alma Mater.*

Class Song

(Tune of Clouds)

VERSE

*We are going slowly
From these halls of ours
To return again we hope to do.
How will we ever
Lose those lasting memories
That we'll always have of you?*

CHORUS

*Oneonta, standing through the years
With your noble spirit conquering all our fears.
Oneonta, singing out your call
Reviewing golden memories of your stately halls.
The stairs are worn, the desks are carved and
 shiny
By classes passing on from year to year
To go from school to conquer all life's battles
And fight, and fight, and fight without a fear,
 for
Oneonta, beloved Alma Mater,
Mother of our class, well remembered by
The Class of 36.*

STEPHEN BULL, '36

Senior Class History

(With Apologies to Hiawatha)

In the fall of '32
Entered we these halls of learning;
Fifteen score of eager freshmen,
Soon we held our council meeting,
Chose as leader, from our number,
Chose as chieftain—Richard Leach,
Chose Grace Sternberg, Robert
Hatcher,

Betty Hughes to aid in ruling.
Of our number in that year
Many were the honor students,
But Edith Butts and Sam Bertuzzi
Earned the well deserved honors.
Round about March seventeenth
Held our class reception we,
An event not soon forgotten
In the annals of our history.

When in '33 we gathered
In these halls of greater learning
We elected Robert Hatcher
As our chief to rule above us;
Chose Jeanne Bresee and Thelma
Eckhart

To assist him in the ruling,
Chose Elbert Jackson wampum
keeper.

In the second month, the 14th,
Then we held our class reception.
Of our numerous scholastic warriors
Edith Butts, Sam Bertuzzi
And John Orlandi were outstanding.
And in fields of skill and cunning
Super, Barry, and Bertuzzi,
Mantica, Church, and Hatcher
Earned the high school honor letter.

When we came in '34
Juniors to these halls of learning,
We chose as chieftain, John Orlandi,
And as helpers, Marion Skinner,
Gladys Emmett, Sam Bertuzzi.
By their histrionic talent,
Norman Getman, Thelma Eckhart,
Rexford Brooks, John Orlandi,

And Marion Skinner well portrayed
Their skill in "Daddy Long Legs".
In the Kellogg Speaking Contest
Prizes for the best orations
Were awarded Betty Hughes,
Thelma Goodenough, and Fred
Church.

Lettermen this year were many:
Angelotti, House, Bertuzzi,
Gardner, Super, Piper, Bockes,
Redmond, Townsend, Clune, Orlandi,
Rosher, Harris, Church, and Barry.

In the fall of '35
Entered we as mighty warriors,
Skilled in all the arts of warfare,
And the lore of higher learning,
As our chief, Fred Church, we chose
And as helpers, Evalyn Davenport,
Jeanne Bresee and Sam Bertuzzi.
In the drama "Growing Pains",
Actors of renown this year
Were the noted John Orlandi,
Marion Skinner and Richard Leach.
Of our scribes who write the "Echo"
Were Edith Butts and John Orlandi,
Gerald Beavans, Eleanor Luther,
Grace Sternberg, and John Steidle,
Hugh Diamond, Lois Salisbury,
Jeanne Ingerham, Robert Mantica.
In the realm of highest standing
Speakers on Commencement Day
Were Edith Butts and John Orlandi,
Grace Sternberg and John Steidle,
John Genberg and Grace Lord.
Many were the worthy warriors
Who gained athletic fame,
In football, track, and tennis.
As we leave our Alma Mater,
Our appreciation we express
To the teachers who have led us
Thru the tangled paths of learning.
In our hearts these halls will ever
Hold a place of deep affection.

ATHLETICS

Football

The football team in the fall of 1935 was one of the best in the history of our school. Aggressiveness was its dominating characteristic. The team was very light, averaging approximately one hundred forty-nine pounds, but what they lacked in weight they made up in "scrappiness". It was an eleven cylinder machine that never got out of order, but always ran on eleven cylinders. With the motto "May be outplayed, but never outfought", our boys went through the season with only two defeats out of eight starts.

The team showed its precision when on the first play of the first game one of our backs scored, augmented by perfect blocking. We won that encounter from Dolgeville by the score of 32-6. Next, we took Ithaca College Frosh in our stride by the score of 20-0. In our next tilt our team met its first defeat at the hands of a powerful Johnson City eleven. The final score was 20-0. The next encounter was a typical "heart-breaker". Our boys completely outclassed the Norwich eleven until the final minute. At this time Norwich completed several passes in a frantic last-minute attack, and, finally, scored, bringing the count to 12-7. Undismayed by these two defeats our team came back to beat Cortland by the score of 14-0. The versatile ability of our coaches was displayed at the Herkimer game when they primed the "shock-troops" to wear down the highly touted Herkimer eleven. The "shock-troopers" not only wore down the opponents, but scored themselves. The coaches then substituted the machine-like first team, who with their scintillating speed, romped to an easy victory. To climax our already brilliant season, "our gang" annihilated our ancient rivals, Cooperstown. When the "Yellow Jackets"

finished stinging the Orange and Black eleven, the score was 39-0. This game showed the perfect cooperation existing between the backfield, linemen, and coaches. Our boys finished the season by defeating Walton 29-0.

The team assembled for the last time at a football banquet, at which time the lettermen received their well-earned letters. Boys receiving letters were:

*R. Bennett, guard; *S. Bertuzzi, quarterback; *S. Bockes, fullback; *W. Brophy, guard; *S. Bull, center; J. Goodrich, fullback; *S. House, end; R. Lockwood, guard; *R. Mantica, tackle; A. Moorby, guard; *A. Nilo, guard; *J. Orlandi, halfback; *W. Ouimette, end; R. Piper, halfback; A. Rohacavitch, end; *G. Redmond, tackle; *J. Rorick, quarterback; *D. Shaw, halfback; *G. Sheldon, halfback; *F. Super, end; *V. Thomas, tackle; M. Zagata, tackle; *J. Difiore, manager.

These boys established a new place in O. H. S. tradition; a new spirit of cooperation between players, coaches, and students, which they hope future teams will adopt.

*—Graduate in June.

Basketball

For the first time in years, Oneonta entered the Southern Tier Conference, competing with Johnson City, Binghamton, and Norwich in the eastern division, in addition to Endicott and Cortland, members of the western division of the league. The Yellow and White proved to be one of the best teams Coach "Shorty" Long ever turned loose. Out of twenty-one games the team lost only two, both to Johnson City, and both by one point margins. The precision with which the team worked, and the uncanny accuracy of the boys' shots, reminded one of a well-oiled machine instead of five boys. Oneonta's success lay in the fact that the boys cooperated perfectly at all times, and the ability of all our players to score when the opportunity came.

In the first game we took across the Alumni quintet by a score of 22-19. The following week our boys swept to an easy victory over Delaware Academy. It wasn't a close game but it did one's heart good to see the marvelous passing and shooting ability of the Yellow and White. The final score was 60-14. We had a little difficulty in overcoming the Hartwick College Frosh with a score of 39-15. On January 3, the Yellow and White succeeded in holding the United States Government School to 4 points, all of which were made from the foul line. The first league game, and the first real competition came on January 10, when we tangled with Binghamton Central High School. It was a tough game, but our boys came through with a last minute basket, putting us in the lead 29-28. We had little trouble in the next two league contests with Cortland and Norwich. The scores were 46-23, 33-24. On January 25 we encountered Nott Terrace of Schenectady, beating them 27-21. The next game, with our old-time rival, Cooperstown, resulted in another victory for the Yellow and White, score 24-9. February 2 was an unlucky day for Oneonta. Johnson City came up here and trailed O. H. S. for most of the game, only to score in the last half minute, putting them ahead 25-26. Undismayed by this defeat, our boys traveled to Endicott, where they took over Endi-

cott High School 45-41 in an overtime period. For the second time we overcame the Hartwick Frosh. Our second game with Binghamton was much the same as the first. After trailing for three quarters, our center canned a nice shot from under the basket in the last minute of play, putting us ahead 27-25. February 11 the Yellow and White encountered Sidney High School, taking them by a score of 22-16. We again defeated Cortland, 24-18, on February 21. In the next game, Walton was snowed under, 33-19. Our boys emerged victorious from our second encounter with Norwich by a score of 35-25. On the same day we defeated Norwich, Johnson City was defeated by Binghamton 42-29. This put us in a tie for the championship of the eastern division. We defeated Endicott 30-18 on March 6, and on the 9th we again defeated Cooperstown. The crucial contest came on Friday the 13th, when Oneonta met Johnson City. All the backers of the Oneonta squad were confident that we would win, but Fate decided in favor of Johnson City, and what Fate says "goes". This lost for us the leadership of the eastern division and a chance to play for the championship of the Conference. On the very next night, in a conflict with Walton, our boys came out on top, 36-20. This was the last game of the season.

We are proud of the fine work of the team and of the fine coaching of "Shorty" Long.

This year's team set an all time record, amassing 729 points against oppositions' 422. On Thursday, March 19, Coach Long and his squad were invited to a banquet given by Harry Lambros. The following boys attended:

Baseball

In 1936, for the first time in years, baseball was revived in the Southern Tier Conference. Oneonta was entered in the eastern division of the league with Binghamton and Norwich.

The team got off to a bad start at Binghamton on May 2, when it lost to Binghamton Central High School 16-11. The next game was with Johnson City on their diamond. Hard hitting by Johnson City, accompanied by ragged fielding on the part of Oneonta, gave Johnson City the game, 13-1.

The next game with Norwich was anybody's game until the ninth inning, when Norwich pushed across six runs, making the score 6-2.

In a non-league game with Walton a few days later Oneonta won its first game by the score of 9-3. Better playing was exhibited in this game and hopes of remaining in the running column were high; but when Johnson City nine played their return game at Oneonta, they again came out on top by a 16-2 score. Oneonta suffered another defeat at the hands of Binghamton in the return game.

Our boys lost several games, but the Yellow and White spirit was never dampened. Regardless of the score, the boys were fighting as hard in the ninth inning as in the first inning. The team is determined to beat Norwich in the last league game and avoid a complete whitewashing in conference games, and also determined to win the two games yet to be played with our ancient rival, Cooperstown.

The football soared through the air and fell into the barnyard right at the rooster's feet. A look of wonder came into his eyes as he carefully inspected it. Then he gravely pushed it to the hen house and faced his harem.

"I'm not complaining, ladies," he said with an all-inclusive bow, "but I just want to see for yourself the work that is being done in the other yard."

Orlandi and Klubko were resting behind a mound at the ninth green when a battered ball came over the rise and alighted in the bunker, but the player was not in view.

"Let's make him think he did it," said Klubko. So he picked up the ball and put it in the hole.

Soon the victim appeared and began looking intently for the ball.

"Say," yelled Orlandi, "is that your ball? You've done it, old man—a hole in one."

The player looked bewildered.

"It went right across the green, a perfect shot."

"Good," said the player, "I made it in thirty."

PROGRESS

There are few fields where the necessity for progress—the demand for new ideas, is as pronounced as in the production of School Annuals. Here in Canton we take pride in not only keeping pace, but in setting the pace for innovations and changes in this highly progressive field. When you work with Canton you are hand in hand with experienced people, constantly on the alert to sense the wants of Annual publishers, and quick to change from the old order and offer new and unusual ideas to progressive editors
